Paris Citizens Gladly Testify and Confidently Recommend Doan's Kidney Pills

It is testimony like the following that has placed Doan's Kidney Pills so far above competitors. When people right here at home raise their voice in praise there is no room left for doubt. Read the public statement of a Paris citizen: Floyd Rankin, railroad man, 821 West street, Paris, Ky., says: "I have used Doan's Kidney Pills and they have done me so much good that I am pleased to advise others to take them. My kidneys were out of order and their action was irregular. The kidney secretions contained sediment and my back was lame. When I stooped, I had difficulty in straightening. Doan's Kidney Pills stopped my pains and regulated the kidney action."

### Discuss Raise in Price of Flour.

Prompted by the present high range of prices on wheat in the big markets to discuss the situation relative to a possibly forced advance in their product, eight prominent millers of Central Kentucky, Members of the Central Kentucky Miller's Association, met in Lexington last week and indulged in a lengthy discussion and comparison of grades of flour made by different firms which they represented.

The millers did not form any agreement to raise the prices of their products, but realized that unless there is a drop in the price of wheat within a short time, they would be compelled to raise the price of flour especially during their discussion, it was said that probably not more than 65 per cent of the normal wheat crop of Central Kentucky would be realized this year, while 50 per cent and 75 per cent crops were said to be the minimum and maximum, respectively.

Those present at the meeting were: Messrs A. J. Cain of Versailles, B. M. Renick of Paris, M. T. McElowney of Winchester, Allen Zaring of Richmond, Sid Sprake of Cynthiana, Joseph LeCompte of the Lexington Roller Mills Company, and a representative of the Baughman Brothers' mills at Stanford.

—John A. Myers, of Midway, sold to H. R. Cowles, of Stateville, N. C., his grey jack Sampson, for \$1,000.
